**Headline:** We're Making Miracles on International Credit Union Day, Oct. 20

**Text:** This International Credit Union Day, we are celebrating the credit union difference by making a difference in our local community. On October 20, we'll make a donation to our local Children's Miracle Network Hospital on behalf of our cardholders.

You can also help by sharing your story on social media! Throughout the month of October, share why you love your credit union on Facebook, Instagram and Twitter using **#ShopforMiracles**. CO-OP® ATMs will donate \$1 per post up to \$100,000 to Children's Miracle Network Hospitals.

Children's Miracle Network Hospitals provide **32 million treatments** each year to kids across North America. These hospitals rely on community support – from people like you – to fund critical treatments, equipment, research and charitable care. Donations from **Credit Unions for Kids** stay in the community to benefit local children.

Together we can make miracles for local kids!
